## SUMMARY

---

### Software Development Intern

- Proficient in Java, data structures, algorithms, and collaborative team environments. Committed to delivering high-quality software solutions and continuous learning.

## EXPERIENCE

---

- Front-End Web Development Intern (Online) CSRBOX in Collaboration with IBM SkillBuild

## EDUCATION

---

### Trident Academy of Technology, Bhubaneswar

Bachelor of Engineering (B.E.) in Computer Science Engineering

2021-2025

CGPA: 7.41

### Holy Cross School (CBSE Board)

Class X: 2019, Percentage: 76.3

Class XII: 2021, Percentage: 73.2

## TECHNICAL SKILLS

---

- Programming Languages : Java, JavaScript, CSS , HTML
- Database Management : MySQL
- Platforms & Tools : VS Code, GitHub , Figma
- Coursework : Database Management System(DBMS) , DSA

## PROJECTS

---

### Tic Tac Toe Game

- Overview: Created a Tic-Tac-Toe game to enhance my front-end development skills. The game provides an interactive platform for two players to compete on a 3x3 grid, with real-time updates and visual feedback.
- Technologies Used:
- HTML for structuring the game board.
- CSS for styling and ensuring responsiveness.
- JavaScript for game logic, DOM manipulation, and interactivity.

### Personal Portfolio

- Overview: Designed and developed a personal portfolio website to showcase my projects, skills, and professional experience. The website serves as a central hub for potential employers and collaborators to learn more about my work and connect with me.

### PLay School Website

- Developed an interactive and visually appealing play school website using HTML, CSS, and JavaScript. The website is designed to provide parents with a user-friendly experience while exploring the school's programs, curriculum, and facilities.
- This project demonstrates my ability to develop a professional and functional website that meets the needs of its target audience.

## EXTRACURRICULAR ACTIVITIES

---

- Captain of the school volleyball team at the district level, leading the team to success and fostering teamwork.
- Played volleyball during the third year of college and won a tournament, showcasing strong skills and teamwork.
